STATEMENT OF SUBSTANCE OF INTERVIEW UNDER 37 C.F.R. §1.133

The applicant wishes to thank Examiner Kwon for the courtesy of the telephonic examiner interviews conducted on August 25, 2004 and August 26, 2004 with the undersigned. The remarks set forth in the Interview Summary Form that accompanied the Notice of Allowability dated September 14, 2004 are consistent with the substance of that interview and are believed to address the outstanding issues as discussed during the interview. U.S. Patent No. 6,224,897 (Reitberg) was discussed in connection with claim 1. With the exception of certain typographical and grammatical discrepancies, authorization was granted by the undersigned during the interview to amend claims 1, 4, 5, 7, 9, and 10, and to cancel claim 3. The applicant intends to correct these errors in the amended claims by filing an Amendment under 37 C.F.R. §1.312 prior to payment of the issue fee.

Respectfully submitted,
